

Consent to be photographed – St Mary's Voluntary Catholic Primary Academy

Name of child: _____

Photographs are used in school to capture a child's learning journey and significant events. We use these images as part of our school displays and sometimes in other printed publications. We will also use them on our school website and school Facebook page. We believe the use of photographs helps share and value the achievements of all children. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption.

From time to time, our school may be visited by the media who will take photographs or film footage of a high profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school.
